PROFESSIONAL SUMMARY

AI Engineer with a combined background in data engineering, machine learning, and cloud-native application development. Experienced in building data pipelines, training predictive models, deploying APIs, and integrating AI features into enterprise systems. Strong understanding of databases, ETL, model monitoring, and scalable backend design.

CORE TECHNICAL SKILLS

Python | SQL | PySpark | Scikit-learn | TensorFlow | FastAPI | Airflow | Kafka | PostgreSQL | MongoDB | Docker | AWS

PROFESSIONAL EXPERIENCE

AI/Data Engineer - NorthWest Cloud Analytics, Colombo

Apr 2023 - Present

- Designed ETL pipelines for customer and transaction data using Python, SQL, and Airflow.
- Built propensity scoring models to identify high-value sales opportunities for CRM users.
- Deployed model APIs behind authentication and logging layers for internal business applications.

Software Engineer - Data Platforms - Kurunegala Tech Services, Kurunegala

Jun 2021 - Mar 2023

- Developed backend services for analytics products using Python and REST APIs.
- Optimized SQL queries and data models for reporting performance.
- Implemented scheduled batch jobs for data validation, transformation, and export.

SELECTED AI PROJECTS

Loan Risk Scoring Model

Created a credit risk model using historical repayment, income, and profile data with explainability reports.

Automated Data Quality Monitor

Built an alerting service to detect missing, delayed, and abnormal data loads in analytics pipelines.

EDUCATION

- BSc (Hons) in Computer Engineering - University of Peradeniya, 2021
- G.C.E. Advanced Level - Physical Science Stream, Maliyadeva College, Kurunegala

CERTIFICATIONS

- AWS Certified Machine Learning - Specialty Preparation
- DataCamp: Machine Learning Scientist with Python
- Apache Airflow Fundamentals

TOOLS & PRACTICES

- MLOps basics, model versioning, experiment tracking
- API integration, Agile delivery, technical documentation
- Model evaluation, error analysis, monitoring, retraining

LANGUAGES

- English - Professional Working Proficiency
- Sinhala - Native
