Validation Notes for QA

- Use this CV to validate applicant name, email, country, city, address, contact numbers, salary, notice period, joining date, skills, technologies, languages, experience, education, and interview question answer fields.
- Use the PDF version for PDF upload validation and the DOCX version for DOC/DOCX upload validation.
- For duplicate upload testing, upload the same file twice against the same vacancy and confirm duplicate applicant handling.
- For unsupported file validation, use a non-CV file such as PNG/XLSX separately; this file is intentionally valid.
